Description and programme

A cycling tour around Lake Balaton in Hungary is an ideal combination of active leisure and relaxation. The Balaton area is one of the most popular tourist destinations in Hungary and offers many cycling routes on well-marked cycle paths. The undemanding routes are the most pleasant: they suit all types of bikes and are ideal for beginners and experienced cyclists alike. Cycling along the lakeshore in picturesque surroundings offers unique views of nature and cultural monuments. The tour also lets you discover protected landscape areas where you can admire unique species of fauna and flora. The natural beauty of the area is undoubtedly one of its greatest strengths. The surroundings of the lake are dotted with vineyards and fields full of flowers that attract nature lovers.

Cycling in this region is not only about activity but also about discovering and enjoying the local cuisine. After a day on the bike you can enjoy traditional Hungarian dishes in local restaurants and taste excellent wines typical of the area.

The overall experience of the Balaton cycling tour is unforgettable, combining the thrill of movement, relaxation and the discovery of Hungary's cultural and natural treasures. Enjoy an unforgettable weekend by bike around one of the most beautiful lakes in Europe!

Insurance: please note that we need your full details for every tour (first name, surname, date of birth, ID or passport number, personal ID number, telephone contact, e-mail address). We recommend taking out annual travel insurance that includes tour cancellation cover (indicative price 150 EUR). This is an annual policy valid for all trips in the year and we can arrange it for you. Annual insurance is very advantageous and necessary for people over 70. It is important for us to know whether you already have another type of insurance.
