Outline programme:

Rimini lies on the Adriatic coast in the Emilia-Romagna region in northern Italy.

We know it not only as a popular resort with long beaches, but also for its rich history (Roman monuments, the Bridge of Tiberius, the Arch of Augustus, the Malatesta family, etc.). The town is known as a flat seaside town with good connections to the hilly hinterland. The area also offers opportunities for cycle touring and wonderful seaside excursions.

From the place of stay we will make star-shaped trips. On site, by agreement, an optional bus excursion to San Marino and other options (see the list of optional excursions).

Optional excursions:

San Marino – a republic on top of a mountain – the greatest sightseeing experience

One of the most attractive trips from Rimini. The historic centre of the world's oldest republic awaits you, with narrow stone streets, fortress towers and wonderful panoramic views of the surrounding countryside and the sea. There are souvenir shops and pleasant cafés.

Ravenna – the city of mosaics

A city with an exceptional historical heritage, famous for wonderful Byzantine mosaics and early Christian monuments inscribed on the UNESCO list. An ideal trip for lovers of history, art and Italian culture.

Bologna – the historical and gastronomic heart of the region

Discover elegant squares, medieval towers, long arcades and lively streets full of little shops. Bologna is also ideal for tasting local specialities, fresh pasta or traditional ragù. Gradara – a romantic castle and medieval town

A picturesque fortified town with a castle, walls and romantic streets. The place is linked with the legendary story of Paolo and

Francesca, made famous by Dante in his Divine Comedy. Urbino – a Renaissance jewel

A historic town in the hills of the Marche region, known for its wonderful ducal palace, Renaissance architecture and views of the rolling Italian countryside.

San Leo – a fortress above the landscape

An imposing fortress on a rocky crag, a historic centre and breathtaking views of the rolling interior landscape. A great choice for clients who like castles, history and lesser-known Italian towns.

Riccione – promenade, shopping, the sea, with an option to visit the dolphinarium

A pleasant half day in an elegant seaside resort with shops, cafés, a promenade and the opportunity to relax on the beach. Ideal for those who want to enjoy a holiday atmosphere. The option to visit Oltremare in Riccione, a unique experience park where you can admire dolphins, learn about their behaviour and enjoy fascinating shows. Besides the marine world you will also find birds of prey, parrots and lots of fun – an ideal optional excursion during a holiday on the Adriatic!
